

The Independent Handbag Designer Awards

Basic Adhesives is a proud sponsor of the 2017 Independent Handbag Designer Awards! We are pleased to announce that we have presented the Best Green Handbag award to Wilby Clutch! This year we were given the honor to award the Best Green Handbag to a brand who excels in creating ecofriendly products. Wilby Clutch is a completely vegan and sustainable accessory brand based in the UK. Their Bailey Black Saddle, impressively made of new technology cork, took home the award for enough Basic Adhesives ecofriendly adhesive and edge paint to manufacture 1000 bags. We are delighted to collaborate with Jamie Bolton-Debbage and Lucy Housman of Wilby Clutch and be a part of their future success!
